

Chassagne-Montrachet
1er Cru Les Champs-Gain

Origin

The plot is located halfway up the slope under the Caillerets, between La Maltroie and Morgeot, with a full southeast exposure.

Soil

The soil, limestone-based, is shallow and marly in the upper part, becoming deeper and more clayey at the bottom of the slope.

Age of Vines

Average age: 60 years

Tasting Notes

The wine is rich and well-structured, with notes of dried fruits and excellent purity. It combines woody and fruity notes with a very balanced, crystalline character on the palate.

Aging Potential

2 to 7 years

Serving Temperature

12 to 13°C
